Executive Search

Bridge Partners is pleased to announce the appointment of Nitin Khanna as VP, Data Analytics & AI, Information Technology Services at the Federal Reserve Bank of San Francisco.

In this role, Nitin will lead a large-scale transformation of Data and Analytics Services, guiding it toward a data-driven and AI-enabled future. He will also be responsible for developing and communicating a compelling vision and strategy for Data and Analytics Services, aligning it with broader Bank and System objectives.

Most recently, Nitin held leadership positions at Amazon and HP, where he defined and delivered a strategic vision for data-driven transformation and directed a global team to migrate a legacy on-premise data warehouse to a hybrid platform. His diverse experience includes roles at Cisco, where he documented over \$2.7B/yr in additional revenue through data enablement and led the client engagement and delivery teams within the Enterprise Business Intelligence Services group.

Nitin holds a Masters in Business Administration from Santa Clara University and a Bachelors of Electronic Engineering from Mumbai University.

Founded in 2003, Bridge Partners is a retained executive search firm with an unrivaled track record of guiding and implementing an inclusive search process, bridging a 20+ year legacy with innovation in search.

We have both a nonprofit/impact practice the other clients include **Fannie Mae, AARP, TIAA-CREF, CFBP, Accion Estee Lauder, Colgate-Palmolive, MetLife and the broader Federal Reserve System.**
